REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Monaview Elementary Goals and Objectives:

The 2010-2011 school year was an exciting and successful year at Monaview Elementary. Title1 Planning/SIC Committee, PTA, Faculty Council, staff, and students worked together to establish a shared vision. As a learning community, Monaview used the Greenville County School's Educational Plan as a framework to establish and implement

directional goals which led to increased student performances in the core subject areas of English Language

Arts, and mathematics as measured by MAPS. After reviewing current test data, SC State Standards, and student benchmark data priority goals were established to increase student performances in mathematics and reading. Strategies to support these goals included continued professional development in Four Block, Calendar Math, Differentiated Instruction, Literacy Training, and vocabulary development for all teachers. With the assistance of teachers, students established individual academic goals for the school year. Academic rigor in instruction and grade level RTI groups were implemented to support priority goals.

Monaview Elementary accomplishments and plans for the future:

? Teachers continued to receive training through the Peace Center Arts Program,

? Monaview was recognized with a banner for being considered a part of the "Safe School's Program,"
